

Accommodation Office Private Sector Declaration Form

All private sector property advertised to students by the University must have safe gas appliances, a safe electrical installation, a minimum level of fire safety measures and safe soft furnishings.

The requirements are:

- 1) If there are gas appliances in the property we require a copy of a current 'Landlords Gas Safety Certificate'.
- 2) A copy of an 'IEE Periodic Inspection Report' for the property showing that the electrical installation (wiring, sockets etc) within the property has been subject to inspection by a qualified electrician within the last five years. (if you have already submitted this we do not require a duplicate)
- 3) A Declaration that the property, as a minimum, has:
 - A mains operated smoke detector with battery backup on each floor
 - The kitchen has a fire door, with spring closure, to protect the sleeping accommodation
 - There is a fire blanket in the kitchen

Please note you are also advised to carry out and if necessary, act upon a fire safety risk assessment to comply with the 'Regulatory Reform (Fire Safety) order 2005'.

- 4) Soft furnishings must comply with the Furniture (Fire Safety) regulations 1988.

Please note that any deposits taken should be held in an approved Tenancy Deposit Scheme. Please also ensure that you provide us with the Reference Number of the Energy Performance Certificate (EPC) for this property on the House Advertisement Form.

Declaration
